

RE: Application for ICT Support Officer / IT Operations Assistant

Dear Hiring Manager,

I am writing to express my interest in the ICT Support Officer position within your organization. I am a Bachelor of Business Information Technology (BBIT) graduate with more than seven years of experience providing ICT support services, maintaining computer systems, supporting users, and ensuring the effective operation of ICT infrastructure in educational and organizational environments.

Throughout my professional career, I have developed extensive experience in ICT service delivery, end-user support, hardware and software maintenance, network troubleshooting, digital learning technologies, and user training. I have successfully supported staff and users by diagnosing and resolving technical issues, maintaining ICT equipment and systems, administering digital platforms, and promoting effective use of technology to improve productivity and operational efficiency.

In my role as ICT Support Officer at Elm High School, I provided first-line technical support, managed ICT laboratories, maintained computer hardware and software, supported online collaboration and learning platforms, and delivered ICT training to users. Through proactive troubleshooting and preventive maintenance, I contributed to improved system reliability, reduced downtime, and enhanced user satisfaction.

My technical skills include Microsoft Office 365, Google Workspace, Windows operating systems, networking fundamentals, website administration, ICT asset management, and user support services. I am recognized for my strong problem-solving abilities, customer-focused approach, adaptability, and commitment to delivering high-quality ICT services in demanding environments.

I am particularly motivated by the opportunity to contribute to an organization whose mission focuses on improving lives and strengthening communities. I am confident that my technical expertise, commitment to service excellence, and ability to work effectively with diverse teams would enable me to make a positive contribution to your ICT operations.

Thank you for considering my application. I would welcome the opportunity to further discuss how my qualifications, experience, and commitment to professional excellence align with the needs of your organization.

Yours sincerely,

JAMAL FAHADH MOHAMED
